TECHNICAL DATA

General information:

Luminous flux:	4700 lm
Rated power:	50 W
Light source:	LED SMD
Degree of protection (IP):	20
Colour temperature:	4000
Nominal voltage:	230V~, 50Hz
Colour:	white
Installation:	surface mounting
Dimensions - depth:	75 mm
Dimensions - width:	1500 mm
Dimensions - height:	23 mm
Colour rendering index CRI:	80
Material:	polycarbonate
