Application method	
Trigger sprayer	Yes
Foam aerosol	Yes
Bottle	Yes

Usage instructions:

Restricted to professional users. Read safety data sheet carefully prior to use.

Before use, make sure that electrical devices are switched off. For the liquid version, apply the product onto a microfiber cloth using a sprayer or directly from the bottle, then wipe the surface. For the foam version, dispense the product directly onto the cloth and gently wipe the glass surface to remove dirt. Leave the surface to dry – in just a moment it will be perfectly clean.

Package	
Bottle with trigger sprayer	250 ml (ART.AGT-189) - 12 pcs.*
Aerosol	300 ml (ART.AGT-167) - 12 pcs.* 400 ml (ART.AGT-169) - 12 pcs.*
Bottle	1 l (ART.AGT-103) - 1/4 pcs.*

*Quantity of pcs. in a bulk package

Storage:

Store in a well-ventilated, cool place. Keep out of reach of children. Protect from sunlight and temperatures above 50°C. Ensure proper room ventilation. Avoid sources of ignition, elevated temperatures, hot surfaces, and open flames. Do not spray over an open flame or glowing material. Keep away from all sources of heat and fire.
