HOME

GaN3 TECHNOLOGY

The Xblitz XC3 charger is based on advanced semiconductor technology made of gallium nitride (GaN), which makes it more effective than traditional silicon chargers. GaN provides faster and more efficient charging, less energy loss and lower heat generation. This makes the power supply compact, lightweight and supports various fast charging protocols such as Power Delivery (PD) and Quick Charge (QC).

EFFICIENT CHARGING

The Xblitz XC3 provides full control over the charging process. It automatically adjusts the charging speed to the connected device, which guarantees fast and efficient recharging.

FULL PROTECTION

The XC3 charger from Xblitz comprehensively protects the powered devices. With advanced features such as anti-overloading, overload and overheating protection, you can be sure that your equipment will not be damaged.

SMALL SIZE

The Xblitz XC3 combines efficiency and a compact design. While small and lightweight, it offers an impressive 100 watt power, making it ideal for both travel and everyday use.

FOUR PORTS

A charger with four charging ports – three USB Type C and one USB-A – will provide power to any device, saving your time. No matter what equipment you need to charge, you always have the right support on hand.

FAST CHARGING

Does your smartphone or laptop require a quick power boost? Whether you're preparing to go out or have urgent tasks to complete, you'll be ready to go with the wide compatibility of the XC3 charger with various fast charging protocols.

VERSATILE USE

The XC3 power supply is ideal for active people who don't like limitations. With a wide power range and a large number of ports, it is capable of charging all sorts of equipment.

TECHNICAL DATA

Model: XBLITZ XC3

Input voltage:	AC 100-240V 50/60Hz, 2.5A Max
Output voltage:	**USB-C(PD100W):** 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A, **USB-C(PD100W):** 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/3.25A, **USB-C(PD20W):**5V/3A, 9V 2.22A, 12V/1.67A, **USB-A (QC18W):**5V/3A, 9V/2A, 12V/1.5A, **PPS:** (3.3-11V/4A & 45-100W / 33.11V & 30W)
Total output power:	100W (Max)
Plug:	EU
Technology:	GaN3
Supported fast charging protocols:	USB-C: PD2.0; PD3.0; PPS; QC2.0; QC3.0; QC4.0+; Huawei FCP; SCP; Samsung AFC; 2.0A; Apple 2.4A; BC1.2 USB-A: QC3.0; QC2.0; FCP; SCO; MTK PE+2.0/1.1,
Protections:	overcharge, overload/short-circuit, overheat
Dimensions:	103×65×36.5mm
Net weight:	240g
Contents:	Fast mains charger, User manual.
Box dimensions:	115×87×44mm
Gross weight:	273g
Product number:	XBL-HOM-ŁS005
EAN code:	5902479675206
