Do you like more powerful sounds? The Xblitz Master Go is the speaker that will bring them out for you. This compact product hides the depth of real sound. Include the more powerful songs in your playlist and see for yourself!

DEEP BASS

TAKE IT EVERYWHERE!

This handy and petite speaker is ideal for outdoor trips to the allotment, beach or playground. In addition, the Xblitz Master Go comes with a convenient lanyard so you can easily take it anywhere.

BT 5.0

LED LIGHTS

Small but crazy. This little speaker is the king of the party, thanks to its built-in LED lights that change colours in a pulsating fashion. Get into the musical mood that sound and light from the Xblitz Master Go will create for you.

PORTS

You'll find all the ports on the Xbitz Master Go hidden under a rubber cover. There's the classic AUX port, a micro USB port to quickly charge the product, a USB flash drive input for keeping your favourite playlists on a memory stick and a Micro SD card slot. Listen as you like!

COMFORTABLE BUTTONS

Dreaming of simple and intuitive use to enjoy moments without dilemmas over complex technology? The Xblitz Master Go is all about the convenience of enjoying your music.

Do you love house parties? This speaker can become your party companion. The Xblitz Master Go is not only high quality sound, but also a source of atmospheric light. Let's **GO** Party!

IDEAL FOR A PARTY

UNIQUE DESIGN

The Xblitz Master Go was designed to please not only the ear but also the eye of its users. Its unique design consists, among other things, of a fabric surface over which a coloured LED light shines. At the bottom of the speaker is a sleek steel membrane and non-slip silicone feet.

KEEP YOUR DISTANCE FROM EVERYTHING

With the Xblitz Master Go speaker you can take a breather during your holiday relaxation. Thanks to the BT function, you don't have to hold your phone next to the speaker, you can walk up to 10 m away. Take everything in your stride!
